

Comprehensive Admissions Counseling

In this service, we strategize your every move and make your strongest case for medical school admission. Tackle every component of your primary and secondary applications with the candid consulting and unwavering support of a highly experienced admissions expert.

Price: \$3,500 USD

✓ Primary application

✓ Secondary application

✓ Interview preparation

✓ Additional application support

Personal Support

- Work with a veteran admissions expert with experience advising thousands of pre-healthcare professionals
- Get urgent questions answered quickly with unlimited messaging to your admissions expert through your confidential student dashboard

Exclusive Admissions Resources

- Access extensive resources available only to our admissions counseling students! Includes insider tips to get you noticed—and accepted—via outstanding personal statements, experiences, secondary essays, and interviews

Primary Application Support

- Detailed, expert consulting on your entire primary application—from start to finish
- Thorough review of your entire candidacy, including coursework, GPA, MCAT scores, clinical, research, and volunteer experiences, and more
- Expert guidance on what healthcare professional schools are *really* looking for in your personal statement and experiences
- 3 detailed rounds of revision of your personal statement by an admissions expert
- 3 in-depth rounds to compile and refine your list of 15 experiences, including how to select and draft the 3 “most meaningful” ones
- Expert input on school selection and letters of recommendation with the aim of maximizing your chances of acceptance

Secondary Applications and Interview Preparation

- Assistance with essay development and one round of detailed revision for up to 8 secondary applications
- Interview coaching, support, and feedback prior to your first interview (both traditional and MMI interview formats)
- Review of post-interview “thank you” notes

Additional Application Support

- Feedback on letters of intent and continued interest
- Assistance with final school selection, waitlists, and—where applicable—strategizing a plan B, including a gap year, post-baccalaureate and master’s programs, reapplication, and more
- Celebrating your acceptances!
